ACTIVATOR 90 is the premier non-ionic surfactant available on the market today. This high quality, high concentration, low-foaming formulation allows the product to increase the performance of a wide range of chemicals.

**Product Benefits:**

- 90% active, non-ionic formulation that is biodegradable and non-flammable
- Exceeds chemical manufacturers' recommendation
- The high HLB level of ACTIVATOR 90 is highly water soluble and won't gel in your spray tank
- The unique blend of ingredients break through natural barriers that affect pesticide performance
