

Top Shelf™

HIGH SURFACTANT OIL CONCENTRATE

Principal Functioning Agents:

Methylated vegetable oil, alcohol ethoxylate, tall oil fatty acid 100%
TOTAL 100%

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements: Causes skin irritation. Causes serious eye irritation. **Precautionary Statements:** Wash hands thoroughly after handling.

Personal Protective Equipment (PPE): Wear eye protection/face protection/protective gloves.

First Aid: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

GENERAL INFORMATION: Top Shelf™ is a 100% modified vegetable oil/surfactant blend that aids in the penetration of a pesticide spray through the waxy cuticle. Top Shelf is multifunction with wetting and penetrating properties. Top Shelf may be used in place of methylated seed oil or crop oil concentrate or where a high surfactant load MSO is called for. Top Shelf is formulated to aid in the activity of certain pesticides. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

This product can be used in the following settings: Agricultural, Forestry, Industrial, Municipal, Non-Cropland, Ornamental, Rights-Of-Way and Turf. **NOT FOR AQUATIC USE.**

DIRECTIONS FOR USE: Fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add Top Shelf, while continuing agitation. Fill tank and maintain agitation before and during application. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer's label for specific usages and restrictions takes precedence over the directions for use referred to on this label. Do not add adjuvant at a level that would exceed 5% of the finished spray volume unless otherwise specified by the pesticide label.

SUGGESTED USE RATES:

Ground Aerial, Low volume, CDA:

Recommended Rate of Crop Oil Concentrate or Methylated Seed Oil	Top Shelf High Surfactant Oil Concentrate Use Rate
1% v/v (1 gallon per 100 gallons of water)	0.5 to 1% v/v (2 to 4 quarts per 100 gallons of water)
0.5% v/v (2 quarts per 100 gallons of water)	0.25 to 0.5% v/v (1 to 2 quarts per 100 gallons of water)
2 pints per acre	1 to 2 pints per acre
1 to 1.5 pint per acre	0.75 to 1.5 pint per acre

Note: This product has demonstrated excellent plant safety; however, not all species and varieties of plants have been tested. Before treating a large area, test on a small area and observe prior to full-scale application.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash-waters.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Avoid storage below 32° F. If product freezes, warm and agitate (recirculate) prior to using.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Dispose of contents/containers on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary.
