

Awaken CoFlow™

AWAKEN COFLOW™ is a nutritional corn fertilizer package that includes a complexed micronutrient package of seven nutritional ingredients, including: nitrogen, boron, copper, iron, manganese, molybdenum and zinc. All seven helpful ingredients are wrapped in a polymer coating used specifically for field corn in order to limit dust-off, while helping with precise corn seed spacing and flowability.

FEATURES:

- Proven and effective seed nutritional including zinc and other essential micronutrients
- Unique formulation Includes a cornspecific seed polymer
- Low dust-off and excellent finishing characteristics

ACTIVE INGREDIENTS:

Micronutrients including 3.7% Zn, Flowability and dust-off polymer

GROWER BENEFITS:

- May stimulate early corn growth by providing essential micronutrients and extracting nutrients from the soil
- Has been shown to increase seed flowability and improve precision seed placement
- Can decrease dust-off for good seed treatment stewardship

RATES:

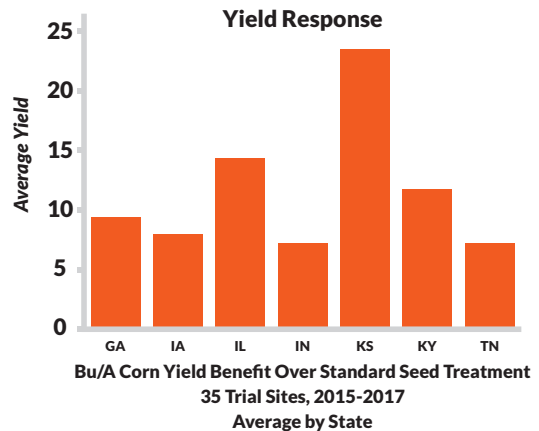

6.0 | 10.0 fl oz/100 lbs seed

Illinois, Iroquois County, 2018

Treatment	Standard + Awaken CoFlow	Standard
Ears	147	140
Runts	4	6
PPA	37,500	33,500
Variety: DG 52SS91
