

For progressive sugarbeet growers that want higher yields, **Riser®** is the only seed safe, in-furrow pop-up fertilizer with Acetate technology proven to accelerate plant emergence and increase root mass.

FEATURES:

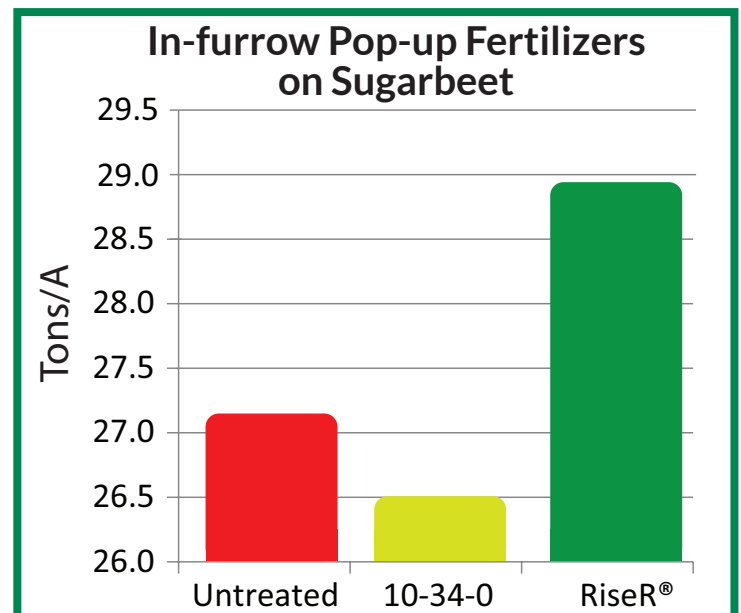

- Maximizes Nutrient Availability
- Increases Nutrient Uptake
- Improves Photosynthesis
- Ammonium Acetate – Nature’s Mining Agent

GROWER BENEFITS:

- Extracts nutrients locked in soil profile
- Zinc stimulates auxin production and stimulates root growth
- Increases root growth and nutrient interception
- Provides energy for increased respiration
- Provides essential micro-nutrients Cu, Fe, Mn, and Zn
